The Standard of Comparison

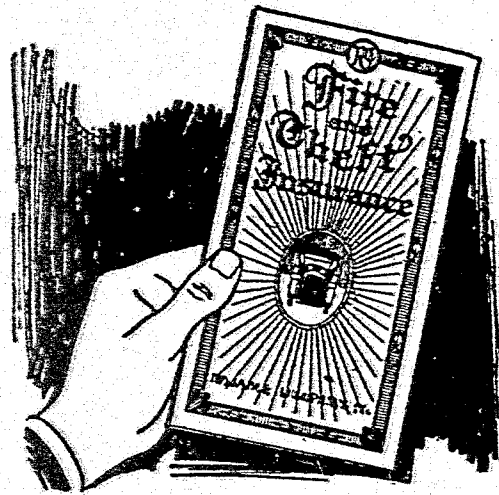

Just Right for Two!

The 1923 Four Cylinder Roadster

Smart, sturdy—you won't find another two-passenger four cylinder roadster that compares with this new Buick in quality or in price.

Inspect it from any angle—snug, beautifully tailored top; long, low body lines; heavy one-piece crown fenders; lots of room for two people and two compartments for their luggage. A big steering wheel that comes up to you, a shifting lever that operates without bending forward, a transmission lock, and improvements which give 1923 Buicks a Class "A" insurance rating.

And, below the surface, the famous Buick Valve-in-Head motor and chassis with refinements throughout which set a new standard of quality and performance in automobiles.

Lowest Insurance Rates

All 1923 Buick models have been awarded Class "A" ratings by the underwriters, because of the safety of their electrical and gasoline systems. The transmission lock on all models also materially reduces the cost of theft insurance.

The Buick Line for 1923 comprises fourteen models: Four—2 Pass. Roadster, \$985; 5 Pass. Touring, \$885; 5 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1325. Sixes—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1395; 5 Pass. Sedan, \$1385; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1455; 7 Pass. Sedan, \$2195; Sport Roadster, \$1625; Sport Touring, \$1675. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

BIBLE THOUGHTS

For This Week
Friday

My Strong Habitation:—Be thou my strong habitation, whereunto I may continually resort; thou hast given commandment to save me; for thou art my rock and my fortress.—Psalm 71:3.

Glory and Honour and Power:—Thou art worthy, O Lord, to receive glory and honour and power; for thou hast created all things and for thy pleasure they are and were created.—Revelation 4:11.

Humility:—The sacrifices of God are a broken spirit; a broken and a contrite heart, O God, thou wilt not despise.—Psalms 51:17.

Monday

Heavenly Treasures:—Lay up for your selves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through and steal.—Matthew 6:20.

Tuesday

Power and Majesty:—Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty.

Wednesday

Take no Thought:—Take no thought, saying, What shall we eat? or, What shall we drink, or, Wherewithal shall we be clothed? For your heavenly Father knoweth that ye have need of all these things.—Matthew 6:31, 32.

Thursday

Wisdom and Understanding:—Whence then cometh wisdom? and where is the place of understanding? Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding.—Job 28:20, 28.

Harold Lamb and G. T. Lamb were the guests of Mr. and Mrs. Merton Rowe of Reading Sunday.

Linwood Buck has finished work on the bridge in Rumford.

Ida Lapham spent the week end with her mother, Mrs. Grace Ethridge.

Bert Sessions has moved into one of Bert Davis' camps.

Eddie Seams is working for Harvey Farnum.

Harold Lamb worked for Ruth Bryant one day last week.

DO HEAVY HAULING NOW

Orders will soon be issued by the Highway Commission to the effect that all heavy traffic will be barred from the improved highway of the State after Nov. 15 on conditions may warrant. It is urged by the commission that all who have heavy hauling to do will see that it is done before this date. A system of Federal Aid Highways, provided for by Congress legislation, was passed upon by the Highway Commission. A system of State highway meeting the needs of this State and connecting with the road system of New Hampshire was also accepted by the commission.

CHANGE THE GAME LAWS

Now that the Legislature is about to sit there should be change in the game laws for Androscoggin, Oxford and Cumberland Counties. These three counties are thickly settled and the majority of people keep dogs. The law that says that anybody may shoot a dog found chasing a deer should be repealed. Many a dog has been shot for spite when the animal had no idea of chasing deer. We have a law on or statute books that provides for deer chasing dogs with \$100 penalty attached.

No one wants his dog to chase deer. Nothing makes a fox hunter so angry as to have his dog go out of hearing after a deer. There are persons so bigoted that if they hear a dog bark in the woods they are convinced that that dog is chasing a deer and they sally forth with a gun to find the dog in company of his master helping to drive the cattle home or barking up a tree at a squirrel.

You will hear it said, "Those dogs run all night back of my house chasing deer." Now any hunter of experience knows a deer when pursued runs in a straight line for a pond and where there are so many ponds and lakes as there are in Cumberland County where is the real harm if a dog occasionally puts a deer into the water? These three counties are not deer counties. A few deer in the spring and summer months are to be found, but when cold weather sets in the majority of them strike for the mountains. It looks as though the bird hunter with his \$200 bird dog and the fox and rabbit hunter must go.

Between the meat hunters (I cannot call them deer hunters) and the trappers the dog men fare hard. The dogs are shot at and caught in traps with which the northern part of Cumberland County is bristling. I have found them with no tags and the land owners didn't have an idea they were there.

Your pet cat disappears perhaps and the dog is found missing and after a day or two they may be found howling in a trap. If it happens to be a cold night on which they are imprisoned the injured foot freezes and then rots off. Trapping is a cruel, inhuman sport and a license of \$25 should be levied on every one setting traps in any organized township, thus cutting out the riff-raff who set traps and go to them only about once a week. If we must have traps a license should be levied and the law changed to November 15, in these three counties, to avoid putting on to the market unprime and inferior skins. These three counties are so far south that fur doesn't get prime until about December 1st.

The dog law and trapping law should be changed as the dog man has just as much right to his sport as has another to become a meat hunter and torturer of our wild animals.

A lot of these sporting dogs cost from \$50 to \$200. If you saw your neighbors horse in your cultivated fields destroying your property I don't believe you would take your gun and go out to shoot him. Some of these dogs cost twice as much, perhaps as would that horse but the law says for a little infraction of the game law, "Shoot him!" The real sportsmen of the three counties should get together and see that these laws be changed the coming season.

The trapping of foxes is spoiling our bird hunting. A fox preys on the wood rat and the weasel. Kill the fox and these multiply so fast that the woods are full of them and they will kill more young partridges than will a generation of foxes. Twenty-five years ago we had 50 foxes where we have 10 today and you could go out and shoot half a dozen partridges in a day.

Nine-tenths of the Maine deer hunters are in it not for sport but for meat and these same hunters that put up such objections about dogs chasing deer will shoot one in haying season if they think they can get away with it.

Now, brother sportsmen, let's all pull together and send someone down to Augusta to see that our interests have as much protection as any of the others. C. G. True, Bridgton, Maine.—Portland Express.

NORTH WATERFORD

Hallowe'en Dance

The Masquerade and Hallowe'en dance was some party. The standing room only sign was hung out early in the evening, this is always the case when the ladies of Waterford Grange put on "a time" and too much cannot be said in praise. Worthy Master Marjorie Martin was ably assisted by the lady officers and lady members. She will be remembered by all the members and friends as instrumental in putting on many successful entertainments during her work as Lecturer, last year. Mrs. Elsie Matheson, Sadie Kimball and Susie Morse had charge of the baked bean supper which was first class. Many helped by waiting on table and washing dishes, others brought and sent food.

At twenty-five minutes of nine a couple of frolicsome black cats lead the march, followed by many unique and wonderful maskers. It was impossible to march in regular order and it was impossible to keep from laughing. It was certainly a fun factory for fun. The ladies choose a committee of three to decide the prizes selecting for judges Hazel Wardwell, Geo. Hobson and Mell Knight. This proved some chore as there were so many dandy rigs. Mr. and Mrs. Douglas of Bridgton were finally awarded the prizes as best lady and gents costumes, and much applause. Dancing continued until 1 o'clock. Parking space for autos was at a premium anywhere near the hall.

Both upper and lower halls were very pretty with decorations in appropriate colors, for this, their second annual Hallowe'en Ball. Great credit is due the ladies of Waterford Grange as it was certainly "some party." It is rumored this will be followed by a Poverty Ball Thanksgiving night.

OXFORD

Rev. D. B. Holt was present at the Methodist Church on Sunday morning and gave a fine sermon.

P. Starbird and family motored to Waterville, Sunday taking Mrs. Nellie Lebrock with them to visit their children who are students at Colby College.

Mr. and Mrs. Henry Hamlin have been entertaining company from Canada.

Mrs. F. A. Delano and daughter Eliza Farwell were in Lewiston on Friday.

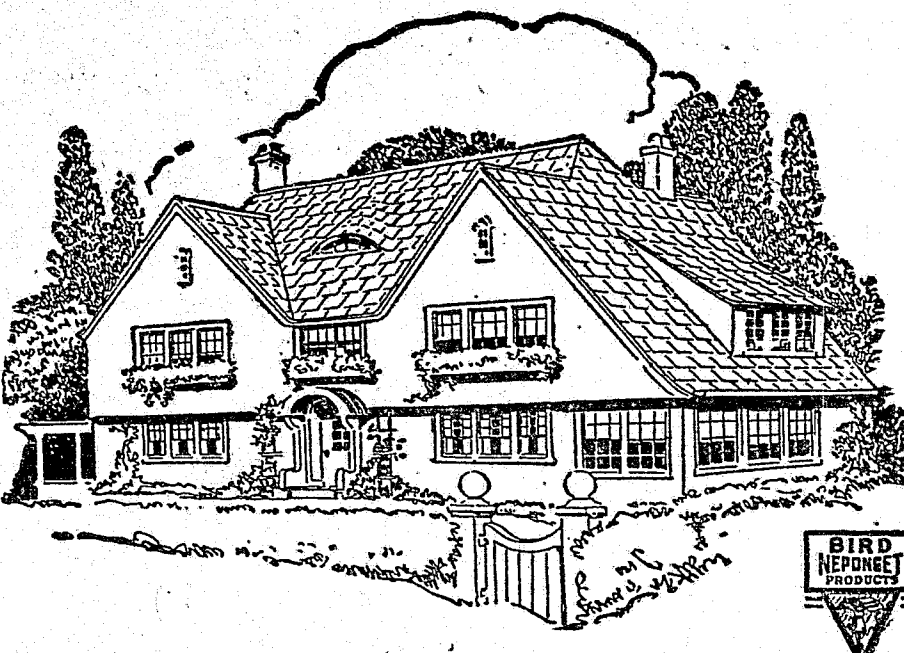

There was a good attendance at the inspection of the T. A. Roberts W. R. C. on Saturday. Mrs. Lena Day of Gorham was the inspecting officer.

A. J. Holden was in Portland on Monday on business and visiting relatives in the city.

Wallace Andrews, a Civil war veteran, is still very feeble and under the care of a trained nurse.

It takes smiles as well as hard work to make a home.

BIRD'S ROOFS

Here's a Beautiful Roof

SO good looking it adds a touch of prosperity to any residence. Colors—natural slate green, red, or black.

So long wearing it will pleasantly remind you of its economy for years to come.

Bird's American Twin Shingles are really two shingles in one, easily picked up and laid with one hand, and self-spacing. 10" in length. They will not catch fire from falling sparks. Made of the same materials as Paroid Roofing.

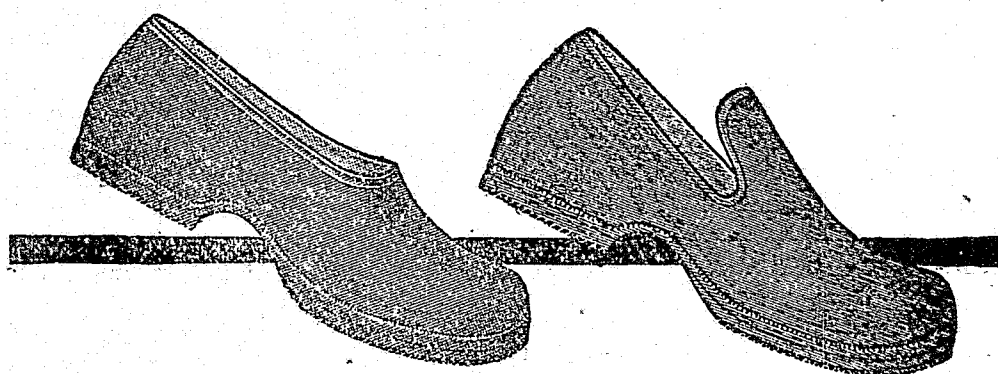

We know from experience that Bird's American Twin Shingles make good—that's why we sell them.

You are probably living in a "wired house" but is it completely wired—are you enjoying real electrical convenience?

Complete electrical convenience means attending to the little details.

Above all things you want your house to be a home—comfortable and convenient.

What can contribute more to your happiness and comfort than electricity properly applied?

Have switches in every room. Be able to control some of the upstairs lights from downstairs and vice versa; to light the garage or cellar from the kitchen.

With plenty of well located convenience outlets you can place attractive lights wherever you wish. You can use several electrical appliances all at the same time, if need be; a vacuum cleaner in any part of the house; a sewing machine wherever the sunlight is brightest; an iron where the light is most convenient.

All these economical home comforts may be had in the house you are living in just as well as in a new one. Our electricians are experts in "wiring in" convenience outlets. They can do the work quickly, quietly and without fuss or muss.

Call us up and let us give you a diagram of your home with complete arrangements for electrical convenience. The cost of comfort is cheap.

LOCKE'S MILLS

Boy Scout Saves Own Life

Readers will remember the headlines in regard to the accidental shooting of Clyde Stevens over a week ago. The shot-gun loaded with a ball cartridge was accidentally discharged by Stevens. The ball ploughed through the calf of the leg then through the thigh, followed from there to the crotch, thence into the folds of the abdomen, and came out near the chest. Stevens was alone at the time of the accident which happened at 2 p. m.

Did Stevens give up the ghost? We'll say he didn't. Fast weakening from the flow of blood from these terrible wounds, made quick action necessary. He ripped his union suit to pieces and corded his leg at the thigh, stopping the hemorrhage of blood. This First Aid work on the part of Scout Stevens saved his life for the time being.

With the help of the gun, Scout Stevens headed for home. It took him seven hours to drag himself home within hollering distance of his folks. The doctor was immediately summoned and the outlook for recovery looked doubtful. The doctor's remark was that the scout's First Aid knowledge was all that saved his life.

Scout Clyde Stevens is fast recovering. His parents express their heartfelt thanks for the training that meant the life of their boy. The troop-mates of the Locke's Mills scout have set up and "set up and take notice" of what this thing means. The Boy Scout Training that seemed irksome at times proved in the long run the means of saving an American citizen from the grave.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

DAUGHTER HAD TO HELP MOTHER

Now Can Do All Her Housework Alone Because Lydia E. Pinkham's Vegetable Compound Helped Her

Jasper, Minn. — "I saw in the paper about Lydia E. Pinkham's Vegetable Compound and took it because I was having such pains in my stomach and through my back that I could not do my work. I had tried other medicines, but none did me the good that your Vegetable Compound did. Now I am able to do all my work alone while before I had my daughter staying at home to do it. I have told a number of friends what it has done for me and give you permission to use my letter as a testimonial." — Mrs. JESSIE PETERSEN, Route 1, Jasper, Minn.

There is no better reason for your trying Lydia E. Pinkham's Vegetable Compound than this—it has helped other women. So if you suffer from displacements, irregularities, backache, nervousness or are passing through the Change of Life remember this splendid medicine. What it did for Mrs. Petersen it may do for you.

The Vegetable Compound stands upon a foundation of nearly fifty years of service.

MORE MEN THAN WOMEN HAVE APPENDICITIS

Medical reports shown men are more subject to appendicitis although many sudden cases occur among women. It can be guarded against by preventing intestinal infection. The intestinal antiseptic, Adler-ika acts on BOTH upper and lower bowel, removing all foul, decaying matter which might cause infection. It brings out matter you never thought was in your system and which may have been poisoning you for months. Adler-ika is EXCELLENT for gas on the stomach. Frank Kimball, Druggist.

Sunday School Hallowe'en Party

Members of the Congregational School held a Hallowe'en social at the vestry Friday evening with a good number in attendance.

Orange and black crepe paper with black cats and witches and a few Jack-O'-Lanterns formed appropriate decorations. Two ghosts impersonated by Miriam Pike and Irene Noyers, with a typical old witch played by Muriel Sloan met each guest at the door after certain signals had been given for admittance. These guides wore signs displaying the words "Speak Not" as a good hint to the noisy and inquisitive.

After the crowd assembled they formed in line, and marshaled by the silent ghosts, wended their way to the basement. Mrs. H. L. Bartlett was in waiting under a subdued light and entertained with a creepy Hallowe'en story. The ghost presiding order when the cold shivers got the better of the awe stricken audience was carried out by Mrs. Bessie Foss.

When this ordeal was over all returned safely to the vestry where Mrs. Bartlett told fortunes and forecasted the past, present and future. A variety of stunts, were staged, many wrinkles dating back half a century. Marches and games occupied the social hour. Apples, lemonade and popcorn which all but refused to expand, were served. Everybody enjoyed the evening and left wishing the ghostly evening was more than an annual event, with frequent opportunities to shake hands with the Queen of Sheba.

The social was in charge of Ruth Libby, Marion Welch and Josephine Chase.

Harry Rust Women's Relief Corps held their annual inspection Thursday evening with Past President Lena F. Day of Gorham, inspector. She was very kind in her criticism of the Corps. Preceding the lodge meeting a fine supper was served in charge of Mrs. Ida Gammon, Mrs. Vira Kilgore and Mrs. Esther Rich.

Forrest Longley has returned to Bryant & Stratton Business College to finish his course. He will take in addition accounting and business practice, with an evening course in drafting at the Franklin Union.

Lawrence M. Carroll has been seriously ill in Massachusetts while on a business trip and unable to stand the journey to Norway until this week. He is gaining an complete recovery is expected.

Possessiveness Lodge No. 18 K. of P. will work the Bank of Knight, Thursday evening, Nov. 9th on three candidates. Supper will be served previous to the work.

Ernest W. Hutchins, Wilfred G. Conary and Arthur B. Cobb went to South Arm Wednesday after deer. They expect to return the first of the week.

A Missionary Committee has been appointed in the Junior Endeavor as follows: May McAllister, Mildred Huff, Gordon McAllister, Charles Huff and Edward Littlefield.

Methodist Church Notes

Next Sunday at 10:45 a. m. the sermon topic will be "My Chum." At 8:00 a. m. worship the pastor, Rev. T. C. Chapman, will preach on "The Church Which Kept Its Crown."

Sunday School at 12 should be well attended especially by the young people and adults.

The Epworth League devotional service at 6 p. m. will be the annual rally of all members in the interest of "Win-My-Chum Week." Every active member should be present to answer the question of the topic assigned, "What does Christ mean to me?" John 3, 16. Mrs. Grace Caley is leader. An opportunity will be given for new members to join the chapter at this meeting.

Next Wednesday evening, Nov. 15th, Rev. C. B. Oliver, the popular young pastor of the church at Bethel, will have charge of the special week. A social hour will be arranged preceding the meeting. Mr. Oliver had charge of the young people's work at the recent session of the Empire Camp Meeting and was very successful.

The service on Thursday evening, Nov. 16th, will also be of special interest to the League Members and their friends, and a part of the preparatory program for the services of the closing Sunday of Win-My-Chum Week.

The Ladies' Aid are at work on their annual Christmas sale which will be held at the Community Hall on Friday afternoon and evening, December 8th.

The Win One Class of the Sunday school enjoyed their monthly social and business meeting, Tuesday evening, at the home of Mrs. Gertrude Allen. A roll call of the class was answered with Thanksgiving quotation. Refreshments were served of fruit punch and fancy cookies. This class will have charge of the fancy work table at the coming Ladies' Aid fair and sale.

OXFORD COUNTY BOY SCOUT

NOTES

West Paris Boy Scouts Have New Scoutmaster

By official announcement, Reynolds Chase is to be the scoutmaster of Troop No. 1, West Paris. The West Paris troop has a record of ten years continuous growth and Mr. Chase has come up through the ranks of this progressive troop. He is a graduate of West Paris high school and has a clean slate of School and Athletic records. Bates College Intercollegiate Records of 1921 prove the quality of Mr. Chase's track record. A clean record of perseverance and square living qualifies the new scoutmaster as A1 for leadership of the troop of 35 scouts.

80 per cent. of the West Paris troop attended the Oxford County Scout Camp this year. Over one-half the troop have gained advanced degrees and every scout has made some progress. The following scouts hold second class badges—Gerald Day, Howard Wardwell, Stanley Perham, Edward Penley, Elmer Waterhouse, Fred Waterhouse, George Fiedel, Frank Curtis, Henry Stone, Edward Burnham, Albert Martin, Harold Buck, Joseph Ring, Robert Penley, Vernon Yates, Rupert Curtis, William Roderick, Guy Emery, Stanley Perham is the individual star of the troop with 14 Merit Badges to credit. Clary on his heels comes the following scouts, with First Class rank and over—Wardwell, Waterhouse, Elmer Waterhouse, Howard Wardwell, Edward Penley and Edward Burnham.

Norway Boy Scouts

Troop No. 1, Norway, held its regular weekly meeting at the high school building. The American Legion rooms were in use for the evening, making this temporary change necessary. A very good attendance was on hand and a snappy program carried on.

The recital of the Scout Oath, Laws, and Pledge of Allegiance to the Flag, and drill of snappy setting-up exercises started the meeting off with good spirits. The special phase of Scoutcraft for the evening was First Aid instruction supervised by Executive Perham. H. Kimball took charge of First Aid tests while Annie Mattor and Howard Decester had charge of Second Class First Aid Instruction. Glen Kelly, principal N. H. S., was an interested visitor for the evening.

After the First Aid Drill the subject of future-like was introduced. It was decided that a hike to Mt. Mica should be taken on Friday with the return date set as Saturday P. M. A good following was pledged and definite plans laid for the hike.

Over one-third of the Norway Troop attended the Oxford County Scout Camp this year. Scouts advancing to second class are: H. Kimball, Annie Mattor, Stanley Newton, Hosea Curtis, Irving Joslin, Fred Lewis, Clark Hutchins, Edwin Emerson, Howard Decester, Stanley Murch and Henry Fawcett. Houghton Kimball and Irving Joslin have both passed on to First Class rank and have several Merit badges to their credit.

Bethel Scouts

There is no question but what Bethel Scouts will be an A1 troop in 1923. The troop is underway with its regular fall program under the leadership of Scoutmaster Chester Howe and assistant scoutmaster Chester B. Oliver. Mr. Howe has been scoutmaster since last spring and has been doing good work. Mr. Oliver has been assisting him in the work during the summer and has officially signed up as assistant S. M. for the coming year. Mr. Oliver attended the Oxford County Scout Camp, 1922.

Over one-third of the Bethel troop were members of the Oxford County Scout Camp this year. The following scouts have received their Second Class badges this year: Edward O'Day, Edwin Morrill, Charles Haselton, Kenneth Stanley, Garrard Eames, Fredland Clark and Edward Swan.

Prin. E. O. LaCasse accompanied by seven Academy boys, attended the Bowdoin Maine game at Brunswick, Saturday.

Lillian Swan spent the week end at the Alumni House.

Francis Russell, a student at the University of Maine, was a recent visitor at the Academy.

A social for the students and teachers will be held at the Academy Hall Tuesday evening. Plans for the event have been made by the Student Council.

Mrs. Nixon, Miss Harris, Miss Wray, Mr. Newton and Mr. Davis attended the Convention in Bangor, October 26 and 27.

E. C. Mariner, a former teacher at Hebron Academy, gave a very pleasing talk in Chapel last week.

Some interesting papers designed by the class in plane geometry are on display in Room 1.

A team in football has been organized this fall for the first time in twelve years. Although the majority of the boys had never seen a game until this season, they have worked hard and deserve a great deal of praise for their splendid spirit.

Basket ball practice for the girls is being carried on out of doors. Thus far the following girls have been out: Lillian Swan, Marguerite Marston, Ida Charles, '23; Doris Bragdon, Emily Pratt, Leone McIntire, '24; Ida Pratt, Arline Sargent, '25; Ruth Shaw, Mary Sargent, Sarah Stearns, Eva Gram, Grace Gram, Ethel Hall, Evelyn Hall, '26; Ruth Coleman, '24.

Rhetoricals have begun under the coaching of Miss Farris and Miss Wray. Friday's program was as follows:

"When P. Shared Off His Whisker".....Edward Leadbetter
"The Volunteer Organist".....Myron Keefe
"Mama Malbran and the Whisker".....Myron Keefe
"The Smack in School".....Dennett Chandler
"The Claviers' Bay".....Helena McAllister
"A Song for Our Flag".....Carolyn Hill
"The Auto".....Louise Head
"Old Friends".....Emily Head
"Because".....Emily Head

The Senior Class has some good material for a debating society. At present they are trying out their ability as speakers. Miss Clement spoke Monday on "The Advantages of a College Education"; Miss Swan's subject was "Basketball"; and Miss Shaw spoke on the "History of Fryeburg." The three speeches were well thought out and well delivered.

Frank Meserve has sold the lot where the fire was. Mr. Jameson has purchased it.

The Out-of-Door Season Has Almost Gone

It has furnished you with amusement and entertainment for the past six months, and now it's the indoors for entertainment. Consequently you will have to give more careful attention to the proper dress for the different occasions. There's no escape from it, it's absolutely a necessity.

A WOMAN THAT IS DRESSED PROPERLY

For any occasion is bound to feel more comfortable and the entertainment will mean a whole lot more to her if she is dressed right, not necessarily extravagantly but just right.

THE SAME IS TRUE FOR DAY TIME FROCKS

When you enter the home, hotel, or theatre, in the day time, you will be "more like yourself" if your dress, frock or coat reflects your personality.

You have the privilege to step into our store and see the splendid showing of the different fabrics and trimmings, as well as the good assortment of the Ready-to-wear Apparel of style and quality, at fair prices.

Every woman in Norway and vicinity should appreciate it, for the simple reason, it gives her the same opportunity as her sisters have in larger towns of much larger population.

LET US DO A LITTLE BRAGGING FOR NORWAY

There isn't a town in New England, or perhaps outside of New England, our size or even much larger, that has the nice up-to-date stores in all lines and that carries the good, reliable and high class merchandise that can be found in the Norway stores.

There are many women in and out of Norway who haven't the least idea of what splendid stocks are carried, yes, right here in Norway, Maine.

The large amount of capital invested and great risks taken to do this in a town of this size, you have probably never considered.

"We're shouting it from the house tops," and shall continue to do so, until we put this message across, no matter where you live.

Prices are Less Here Than in the Big Cities for Like Merchandise

We feel we are right in this statement and you can, too, if you wish to verify it by sending for samples. We'll be prompt. Come in person when you can.

Just to remind you that it's none too early to be preparing for your Christmas Shopping, it will soon be here.

Radio Column

EDITED BY DICK CHASE

Some Common Radio Questions Answered
During the past summer my radio station has attracted a considerable amount of attention partly because of the Radio Boom and partly because it differs from the majority of stations. I have had several hundred visitors and they have asked several thousand questions.

One of the most common questions has been, "Is this a Radio or a Wireless?" the answer is, a Radio and a Wireless are one and the same thing. Since Broadcasting started Radio has been used more than wireless, therefore some people think that Radio means the transmission and reception of phone signals and wireless, the transmission and reception of telegraph signals, but as far as receiving and some transmission goes exactly the same apparatus is used for both.

Another common question is "Why don't the different signals and concerts get confused?" The reason that they do not as a rule is that the different stations are on slightly different wavelengths and therefore one wave can be tuned out of the other.

The wave length of a signal is controlled at the transmitting station and means that from the time one wave leaves the aerial until another wave leaves the first wave has traveled a certain number of meters or take the familiar illustration of dropping a pebble into a pond the wave length would be from the crest of one wave to the crest of the next. Most Broadcasting Stations are on the 300 meter wave, that is they are somewhere near 300 meters, their actual wave length varies from about 340 meters to 360 meters. There are also some stations on the 400 meter wave, these are known as Class "B" stations. Efforts are being made by the Government to decrease the amount of interference and in the past month conditions have been greatly improved.

A number of people have wanted to know the range of different makes and types of receiving apparatus; it is impossible to say what the range of any set is, as it depends on the location of the set, the atmospheric conditions and the power of the transmitting station. It can be said that in this section of the country a set using a crystal detector is practically useless while a set using one tube can under normal atmospheric conditions pick up W. J. Z. at Newark, N. J., W. C. Y. at Springfield, N. Y., and E. Z. Z. at Schenectady, Mass., also many other stations under favorable conditions. I have heard stations in Georgia and Iowa on one tube.

Questions and Answers

You are invited to send in questions pertaining to Radio whether you own a set or not, if of sufficient interest these questions will be answered in this column if not they will be answered by mail. Please enclose a self addressed stamped envelope. Address Radio 1, KX, West Baldwin, Me and please mention the Advertiser.

Grange Fair and Entertainment

Norway Grange held a successful fair at their hall Friday afternoon and evening. Tables decorated in red, white and blue displayed the articles offered for sale. Vegetables and fruit were handled by Charles Gammon, Merton Wyman and Oscar Cox. Aprons and fancy work were in charge of Mrs. Charles Richardson, Mrs. Charles Gammon and Mrs. Hattie Buck. Mrs. Maud Deoster was in charge of the ice cream and other refreshments.

A regular chicken supper was served at 6:30 o'clock which did justice to the good reputation of the cooks in Norway Grange. About two hundred attended. An entertainment at 8 o'clock taxed the seating capacity of the hall. A miscellaneous program grouped under the name "The Brightville Chautauqua" was greatly enjoyed. The numbers were arranged to represent five Chautauqua entertainments in one and offered a pleasing variety. There were living pictures, playlets, readings by Miss Marshall and Hebron, and musical selections by Mrs. Mary Stone vocalist, Ruth Cummings, piano accompanist, and Marion Haskell, violinist.

Fifteen minutes with the "Coonville Jubilee Singers" was a minstrel treat. Bright colored costumes and ebony black faces delighted the artists local fame but the comic songs were good and tinged with the carefree performances of plantation days.

Dan Goodwin: Lost over a hundred barrels of apples in the last freeze. Picked 125 barrels before the calamity and would have cleaned 'em up if we had known before hand that it was on the way. Never mind, this is a young orchard and more summers are coming.

BETHEL

Bethel Grange

Bethel Grange observed Neighbors' night Thursday, Nov. 9, and had as guests patrons from Round Mountain, Pleasant Valley, and Bear River Granges, that aggregated forty-seven, visitors from East Hebron, Norway, Franklin, Hebron and Suncook Granges swelled the number to fifty-two which with a record attendance of the members of the host grange made a goodly company. These hospitable exchanges are certainly promoters for the advancement of the work of the order. Opening meeting and business was followed by work in third and fourth degrees. A class of sixteen was duly instructed and welcomed to the Bethel Grange family. They were viz. Mr. and Mrs. Clifford Merrill, Mr. and Mrs. Guy Willey, Mr. and Mrs. Elias Robinson, Mrs. Thomas LaRue, Mr. and Mrs. McPerley Flanders, A. W. S. Wight, Fred S. Edwards, Mrs. Minta Luxton, Mrs. Bessie Linton, Jovita Luxton, Catherine Thurston, Alice Morgan. A bountiful harvest supper was served followed by a short social time. The program was given by visiting granges: Address of Welcome... W. M. A. L. Copeland Reading, Carrie French, Bear River Grange. Celia Kimball, Della Cummings and Helen Becker, Round Mt. Grange. Reading, Carrie French, Bear River Grange. Reading (encore)... Miss Day of Bethel God of Right, Herman Mason and Chester Saunders.
